EDUCATION

MBA (SYSTEM MANAGEMENT)

2023 - Current

- Pursuing in Madras University

B.COM (COMMERCE)

2019 - 2022

- Jamal Mohamed College
- CGPA: 8.4 / 10

PROFILE SUMMARY

- React Developer with 2 years of experience in creating user-centric web applications.
- Expanding into cross-platform mobile development in Flutter.
- Building intuitive and responsive UIs in Flutter.
- Expert in developing complex components, integrating external APIs, and optimising performance.
- Skilled in debugging and crafting responsive interfaces.
- Proven track record of delivering reliable, maintainable, and scalable applications.
- Dedicated to continuous learning and leveraging industry trends for innovative solutions.

WORK EXPERIENCE

Biznessforce software solutions

2023 - PRESENT

React Developer

- Skillfully developed and managed intricate React and React Native components to seamlessly interact with APIs.
- Enhanced application functionality by integrating RESTful APIs and GraphQL technologies.
- Crafted responsive user interfaces with a blend of Bootstrap and customized CSS.
- Optimized React applications to heighten performance and reliability standards.
- Employed Redux and Context API for adept state management.
- Engineered reusable components and frontend libraries to expedite development processes.
- Ensured code quality through comprehensive testing using React Testing Library.
- Orchestrated effective codebase management through Git and GitHub for collaborative workflows.
- Efficiently deployed applications on platforms such as NEXT.js and Vite for swift delivery.
- Engaged in Scrum and Kanban methodologies to drive continuous improvement initiatives.

ADDITIONAL SKILLS

- Excellent problem-solving and debugging skills.
- Strong communication and teamwork abilities.
- Enthusiastic about learning new technologies and staying updated with industry trends.
